## Allegro Cargo Insurance Program

As your logistics provider, we want to make you aware of Allegro's multi-layer cargo insurance program and communicate the importance of insuring your cargo during transit. We at Allegro will always manage your cargo with the greatest care. However, there may be instances or catastrophic events beyond the carriers control in the transportation process that may result in losses or damages of your goods.

We have a strong relationship with a highly reputable, experienced insurance broker and will provide you the best competitive rates. Let us handle the protection of your goods when taking advantage of Allegro's Cargo Insurance program and protect your goods against the perils of transit.
